Interesting Origins of Everyday Phrases

Interesting Origins of Everyday Phrases

We don't think about the words and phrases we use all the time - until Josh and Chuck look into them and tell everyone what they found. That's the gist of this episode!

Doppelgänger: Hey you, you're me!

**Doppelgängers:
Hey you, you're me!**

Seeing your near twin is probably pretty weird. But could there be a genetic commonality as well? You bet there could!
